ADR Notable Founder and CEO Named a Top 20 Legal Tech CEO of 2021

Gary Doernhoefer recognized for technology innovations to support dispute resolution services

COLUMBUS, October 6, 2021: ADR Notable, the company that helps professionals manage every step of the dispute resolution process, is pleased to announce that Founder and CEO Gary Doernhoefer was recently named a Top 20 Legal Tech CEO of 2021 by *Technology Innovators* magazine. Gary is being recognized for developing ADR Notable and his efforts to provide a valuable software tool to help dispute resolution professionals manage their practice.

“Great admiration for the work of dispute resolution professionals as essential peacemakers in our society is one of the main reasons that led me to the conception of ADR Notable,” says Gary. Further, “ADR is a growing field, and any business executive, legal or not, should learn more about dispute resolution to address conflict arising within the organization.” To that end, “we’ve developed a technology tool that helps DR practitioners in their day-to-day efforts to help others.”

ADR Notable was built to facilitate and streamline every step of the dispute resolution process. The platform makes mediation case management a breeze so professionals can focus on what matters most: their clients. ADR Notable is a secure, cloud-based platform, so users can be assured of privacy, security, and flexible resources.
